24	T	6/15/2003 12:00:00 AM	N/A		11-15-2005 Extension letter to the Lessor to continue holding over until June 30, 2006, under the same terms and conditions. Staubach still in negotiations. 2-26-2005 Holdover letter to the Lessor to continue holding over until 12-31-2005, under the same terms and conditions of the previous holdover, $1,584.00 per month; $19,008.00 per annum. Negotiations between the Lessor and Staubach have not been completed to date and the holdover extension will allow for that completion. 6-15-2004 Holdover letter to the Lessor to extend the lease for a two month period, under the same terms and conditions. This will hopefully allow time enough for Staubach to complete negotiations with the proposed new owner. Otherwise another holdover, will be necessary. Present owner agreed to a two month extension. Another Holdover letter, this time to the new owners of the lease space, Schulz Properties, LLC, provided to Cindy Collins on 9-2-2004 for further processing. Document signed both Lessor and Lessee extending the Lease for an unknown period of time at the rental rate of $1,584.00 per month. Staubach has been attempting to negotiate a renewal, and as this date, 10-13-2004, not certain what has happened, as they were to meet face to face with the new Lessors. Space is used for the Regional Prison Administration office. The lease supersedes and cancels the Rental Agreement approved by the Real Estate Division Director on 08-22-2001. This location was selected because the two proposals received were non-responsive. The Department requested a sole-source for this location as it fits their program needs. This request was approved. A Rental Agreement was completed to allow for immediate occupancy. This space meets BFD. Cancellation clause was a 30-day standard and changed to a 90-day standard. PA = J. 708	N/A		N/A		This is a renewal of a rental agreement. The previous owner sold the building and gave a 30-day notice to quit. We were able to negotiate a rental agreement with the new owner. The cost per square foot is rather high, but when considering the costs involved in moving the staff, installing the special phone line, the month of May is rent-free, and FIA only requires the space for 3-4 months, this is in the best interest for the State to remain. The new building is expected to be ready for occupancy the end of July.	RENT - BASE RENT	12,000.00	0.00	1.00

1303	N/A		N/A		This month-to-month was a tenant at will, the department moved out and the lease was terminated effective October 31, 2010. The purpose of this rental agreement is to have 24/7 access to the building and the secured closet which houses a major telecom hub for most of the state offices we occupy in downtown Lansing and that we are not a tenant at will. Due to the cost of the relocation, the department wishes to maintain at this location. Lansing Community College bought this building after the agreement with the prior owner. The administrator was not aware of this until he was asked to sign this new agreement and a new lease. After a period of time they decided they needed the space themselves, they signed this agreement but have asked DIT to move out, but realize it will take time to do so. It is undetermined how much time DIT will need to relocate this equipment.	RENT - BASE RENT	75.00	0.00	1.00
